RCSP Baranggayan & Baranggayan sa Bikol Handbook

The RCSP Baranggayan Handbook is a guide containing the unified procedure of the Re-tooled Community Support Program (RCSP) in Region V, the Baranggayan way, which is the customized RCSP implementation strategy adopted by DILG Region V. "Kasama Ka", RCSP baranggayan song, is inspired by the Baranggayan sa Bikol conducted to develop peace and economically challenged communities to improve their way of life

Gabay sa Barangay Handbook

This Gabay sa Barangay Handbook aims to equip the barangays with basic knowledge on governance, development planning, institution building, CSO participation in barangay governance, and compendium of administrative and legislative templates such as sample Executive Order, Ordinance, Resolution, Plans, Action Plans, and Checklist on Barangay Performance Audits.

Protocols for Volcanic Eruption

This Disaster Preparedness Manual Protocols for Volcanic Eruption aims to institutionalize and strengthen the mechanisms for mitigation, preparedness, response and recovery of the LGUs in the community in dealing with eruptions. Further, this manual enables the LGUs to adeptly respond to the needs of the community in times of volcanic disasters.

Bicol Express for Excellence in Governance Journey

Bicol Express for Excellence in Governance Journey aims to promote knowledge sharing and good governance in the region. It is an avenue for the LGRRRC and it's MSAC partners to assist our local government units in reaching their utmost potential for service delivery through various capacity development interventions. "Lakbay", the LGRRRC Trip song was also conceptualized to encourage stakeholders to engage and participate in local development.

VISION : By 2030, a dynamic center championing excellence in local governance through knowledge management.

MISSION : The Bicol LGRRRC strives to institutionalize the culture of learning and to engage in strategic collaboration through knowledge management and holistic interventions in ensuring effective, responsive and empowered LGUs/communities.

GOALS

- To develop a well-structured, responsive and updated knowledge products accessible in all multimedia formats for sharing and use by multi-stakeholders.
- To provide and promote quality, strategic and responsive capacity development interventions.
- To foster and sustain strong partnership with multi-stakeholders anchored on shared goals towards an effective and efficient knowledge management.
- To pursue a more inclusive information, education and communication strategy to enhance public awareness on best practices on local governance, citizenship and love of country.
- To promote awareness in compliance with laws, rules and regulations and administrative issuances relative to
