State of Local Governance Performance, Electronic Report

Municipality of Jovellar, PY 2009

Highlighted in this report is your LGU's performance in four (4) areas of governance: (1) Administrative Governance, (2) Social Governance, (3) Economic Governance, and (4) Environmental Governance. A special report is included to determine how the fundamentals of good governance such as Participation, Transparency, and Financial Accountability are valued in the LGU. It is to note that the LGU's performance was assessed based on the responses of the LGU's Team to the questions provided into the LGPMS database. A Performance Scale is used to identify areas with excellent performance and areas for improvement. A perfect scale of 5 denotes excellent performance while performance scales of 1-4 indicate areas for improvement. Although scales of 3 and 4 are relatively high, there are areas which can still be improved on. All these are explained in detail as you read the entire report.

On Administrative Governance

Administrative Governance looks into six areas: Local Legislation, Development Planning, Revenue Generation, Resource Allocation and Utilization, Customer Service and Human Resource Management and Development. Your LGU performance in each area of Administrative Governance is plotted in the graph below.

Area(s) with Excellent Performance

Your LGU is doing an excellent performance in 1 out of 6 sub-areas of *Administrative Governance*. Sustain Performance in this area:

Area(s) with Excellent Performance	Interpretation
Human Resource Management and Development	Managing the human resource is geared towards a desired end which is "desirable organizational performance and productivity".

Area(s) for Improvement

The areas for improvement are listed by priority, starting from the area which gets the lowest performance scale followed by areas which get higher performance scales, respectively.

Priority Area for Improvement	Performance Description	Interpretation
Revenue Generation	3.52 Fair	Existing measures in support of revenue generation need to be enhanced. This is an initial yet essential step in maximizing revenue generation potentials.

Priority Area for Improvement	Performance Description	Interpretation
Local Legislation	3.61 Fair	The imperatives of quality legislation have to be looked into. This might mean looking into legislative staff competence and the greater use of legislative tools such agenda development, legislative tracking, backstopping committee and legislative performance.

Priority Area for Improvement	Performance Description	Interpretation
Development Planning	3.79 Fair	Improvements in the following areas are underscored: (a) organizational performance; (b) consultation process; and (c) management of planning database. These areas are instrumental in quality land use and development planning, or lack of it.

Priority Area for Improvement	Performance Description	Interpretation
Customer Service - Civil Applications	4.60 High but not Excellent	The civil application system needs to be transformed into a seamless transactional process. After all, the inherent motivation of putting up such a system is to ensure the ease of obtaining civil registry and real property documents.

Priority Area for Improvement	Performance Description	Interpretation
Resource Allocation and Utilization	4.89 High but not Excellent	Management and coordination processes for budgeting and accounting are in place. However, these processes need to be revisited and improved. They are guarantees to an effective allocation and optimum utilization of financial resources.

The report varies according to the nature of economic activities in the locality. Support to agriculture or fishery services are filtered out if not applicable. Your LGU performance in this area is plotted in the graph below.

Area(s) with Excellent Performance

None of the 2 areas in *Economic Governance* marked "excellent performance" so far. Meantime, dedicate more time and effort on the areas for improvement.

Area(s) for Improvement

The areas for improvement are listed by priority, starting from the area which gets the lowest performance scale followed by areas which get higher performance scales, respectively.

Priority Area for Improvement	Performance Description	Interpretation
Entrepreneurship, Business and Industry Promotion	2.31 Low	Capacity to spur economic development is weak. This is so because of inability to promote a business-friendly environment. It bears emphasizing that a good measure of a working local autonomy is the ability of a local government to create, ensure and sustain an enabling environment for business and industry, not only because business and industry contribute to the realization of healthy local economy but more telling are the opportunities for the unemployed.
Suggested Action(s) to Take		

- Improve the quality of permitting or licensing
- Ensure the ease of doing business. Strategize to effect the issuance of building, occupancy, and business permits in a more expedient manner
- Establish an administrative support body to take the lead in marketing the investment potentials of the local government
- Provide, or cause the provision of, direct support services to business, particularly those categorized as micro, small and medium enterprises. Support services may come in the form of tax incentives, product labeling, product packaging, training, job fairs and trade fairs

Priority Area for Improvement	Performance Description	Interpretation
Support to Agriculture Sector	2.50 Low	Weak support to the agriculture sector. Why this is so can be shown, thus. In the context of an agricultural economy, dedicated support is critical.
Suggested Action(s) to Take		
<ul style="list-style-type: none"> - Improve infrastructure support, e.g., communal irrigation system, farm-to-market roads, post-harvest facilities - Improve credit facilitation services to farmers - Extend adequate production support, e.g., planting materials, fertilizers, and laboratory services such as soil testing - Provide assistance to research and development, e.g., techno-demo cooperators, and research institutes - Improve market development services, e.g., trade fairs, exhibits, missions and congresses - Reach more farming-household beneficiaries

Area(s) with Excellent Performance

None of the 4 areas in *Social Governance* marked "excellent performance" so far. Meantime, dedicate more time and effort on the areas for improvement.

Area(s) for Improvement

The areas for improvement are listed by priority, starting from the area which gets the lowest performance scale followed by areas which get higher performance scales, respectively.

Priority Area for Improvement	Performance Description	Interpretation
Support to Housing and Basic Utilities	1.00 Very Low	Support to housing services is weak. Extend assistance; And sustain.
Suggested Action(s) to Take		
<ul style="list-style-type: none"> - Complete an inventory of: informal settlers, makeshift houses, sites for potential socialized housing, households with no access to potable water supply, and households with no access to electricity - Cause the donation of a local government lot for socialized housing, or provide socialized housing or mass dwelling in partnership with the private sector. Housing is an inalienable right 		

Priority Area for Improvement	Performance Description	Interpretation
Peace, Security and Disaster Risk Management	3.06 Fair	Efforts are made to ensure Peace, Security and Disaster Risk Management. But much more need to be done. Factors that have the ability to improve performance in this area have to be considered.
Suggested Action(s) to Take		
<ul style="list-style-type: none"> - Strengthen the Peace and Order Council and the Local Council for the Protection of Children. There a lot of creative ways to achieve such status. For a start, ensure the provision of annual financial support to peace and order, and public safety initiatives - Ensure an annual financial allocation to the Katarungang Pambarangay. The Local Government Code mandates it. Let us be reminded that this village justice system is principal in the promotion of community peace, harmony and solidarity. - Strengthen the Local Disaster Coordinating Council. There are a lot of creative ways to achieve it. - Enhance local government readiness to manage the risks of disasters, including relief, other associated services and rehabilitation 		

Priority Area for Improvement	Performance Description	Interpretation
Support to Education Services	3.20 Fair	A certain level of support to basic education is extended. However, further assistance to matters such as the following is encouraged. The Local School Board might have to do more to advance the cause of those in need of quality education.
Suggested Action(s) to Take		
<ul style="list-style-type: none"> - Mobilize the Local School Board - Invest the Special Education Fund in actions that improve the quality of the human capital such as (a) construction, repair or maintenance of school buildings and facilities, (b) extension classes and extension teachers, and (c) educational research. Be reminded that sports competition, whether at the district level or local government-wide, is the mandate of another agency, and definitely not of the Department of Education or of the LGU - Establish a Scholarship Fund for the poor but qualified. It is the essence of public service - Establish or improve the quality of the Alternative Learning System 		

Priority Area for Improvement	Performance Description	Interpretation
Health Services	4.66 High but not Excellent	The overall quality of the local health system deserves a second look. This is so because performance falls short in certain aspects. The principal support system on this matter is the Local Health Board. It might have to do more.
Suggested Action(s) to Take		
<ul style="list-style-type: none"> - Mobilize the Local Health Board - Improve the quality of primary health care or basic curative services

On Valuing Fundamentals of Governance

This section of the report describes how your LGU values and maintains good governance in the context of Transparency, Participation, and Financial Accountability.

Area(s) with Excellent Performance

None of the 3 areas in *Valuing Fundamentals of Governance* marked "excellent performance" so far. Meantime, dedicate more time and effort on the areas for improvement.

Area(s) for Improvement

The areas for improvement are listed by priority, starting from the area which gets the lowest performance scale followed by areas which get higher performance scales, respectively.

Priority Area for Improvement	Performance Description	Interpretation
Participation	3.50 Fair	Strengthening CSO participation in Local Special Bodies and the Citizen Feedback system, including the maximization of CSO engagement in development projects is a MUST action. There are merits to it. In addition to the principal of participation, other desirable governance values like transparency, accountability and consensus-influenced decisions are reinforced.

Priority Area for Improvement	Performance Description	Interpretation
-------------------------------	-------------------------	----------------

Transparency	4.20 High but not Excellent	Promoting transparency in governmental transactions and practicing it require a certain degree of urgency. Communicating information which the public should know or should be aware of such as plans, programs, services and special events is a step in the right direction. Maximizing communication channels like a Bulletin Board, a Public Information Office or Desk, the print or broadcast media, a website and public forum is desired. After all, good local governance is synonymous to transparent governance.
--------------	--------------------------------	---

Priority Area for Improvement	Performance Description	Interpretation
Financial Accountability	4.81 High but not Excellent	Efforts to improve financial accountability are acknowledged. However, administrative capacity to ensure observance of guidelines relative to accounting, internal control, procurement and financial transactions need to be strengthened.

On Environmental Governance

Environmental Governance looks into four areas: Forest Ecosystem Management, Freshwater Ecosystem Management, Coastal Marine Ecosystem Management, and Urban Ecosystem Management. The report varies according to local ecosystems. Ecosystems which are not related to the LGU are filtered out. Your LGU performance in this area is plotted in the graph below.

Area(s) with Excellent Performance

Your LGU is doing an excellent performance in 2 out of 3 sub-areas of *Environmental Governance*. Sustain Performance in this area:

Area(s) with Excellent Performance	Interpretation
Freshwater Ecosystems Management	Freshwater ecosystem management is of importance to the LGU. Long-term planning is valued. CSO and citizen participation are recognized and are mobilized in fresh water protection and rehabilitation. Areas for rehabilitation and protection are set, and that target areas for rehabilitation and protection are met.
Forest Ecosystems Management	Forest ecosystem management is central to the concerns of the LGU. Long-term planning is paramount. CSOs and citizens are mobilized in forest protection. Areas for reforestation and protection are set, and that target areas for reforestation and protection are met.

Area(s) for Improvement

The areas for improvement are listed by priority, starting from the area which gets the lowest performance scale followed by areas which get higher performance scales, respectively.

Priority Area for Improvement	Performance Description	Interpretation
Urban Ecosystems Management	3.68 Fair	Pollution control and proper solid waste management are essential in preserving the integrity of the environment. More need to be done. To gain better performance in this area, consider the following:
Suggested Action(s) to Take		
<ul style="list-style-type: none"> - Strengthen the Solid Waste Management Board - Prepare, if none has been formulated, or improve the quality of, the Solid Waste Management Plan - Ensure that every barangay has a material recovery facility - Improve solid waste collection practices - Move from Open Dumpsite Facility to Controlled Dumpsite Facility to a Sanitary Landfill as the final disposal facility. It makes sense. At the very least, inaction has legal implications. But more telling are the health and environmental imperatives
